

INTERMOCO  
MONITORING AND CONTROL

ASX Announcement

24 April 2009

### **Appointment and resignation of director**

Intermoco Limited (ASX:INT) (Intermoco), a leading provider of energy and water management solutions through its Utiligy brand, announced that it has appointed Ian Kiddle as an Executive Director.

With more than 28 years experience within the Telecommunications and Utility industries and markets, Mr Kiddle brings great experience, success and relationships to the Company. Mr Kiddle has held senior positions and directorships incorporating roles within Sales, Marketing, Business Development and Operations. Mr. Kiddle's strengths are across many technologies, markets and regions (specialising in the Asia Pacific markets).

Mr. Kiddle is recognised as a leader within the true "embedded network" environments including but not limited to Power, Voice and Data.

Mr Kiddle has successfully built and operated his own business for the past 8 years, specialising in Embedded Networks but has since sold his interest.

Mr. Kiddle has the capability and experience to drive Sales, Image, Profile, Revenue and Profit through his longstanding strategic Relationships at MD and the "C" level of all business segments.

Wes Ferguson has also resigned as a director and Chairman of the Board, to enable him to reduce his workload to manageable levels while he concentrates on other business opportunities. The Intermoco Board thanks Wes for his contributions in the restructure of the Company and wishes him well in his future opportunities.
