

INTERMOCO
MONITORING AND CONTROL

14 January 2009

Appointment of Executive Director

Intermoco Limited (ASX:INT), a leading provider of energy and water management solutions through its Utiligy brand, is pleased to announce the appointment of a new director to the Board, Mr Bob Gestro.

Mr Gestro is principal of the Ausmeter business which Intermoco acquired in December 2007. His appointment is effective today.

This appointment is another step in the Intermoco's Board renewal which commenced in May 2008.

Mr Gestro brings a wealth of technical skills and knowledge to the company with over 25 years experience in energy and water management. He has been Managing Director of Ausmeter since 2001 which provides energy and water management solutions to major Australian water and gas utilities. Prior to this position he was General Manager at Schlumberger for 10 years where he was responsible for the manufacture and sales of all metering products including gas, water and electricity.

In welcoming Mr Gestro as a Board member, Intermoco's Chairman, Mr Wes Ferguson commented "We are pleased that Bob has agreed to join the Board of Intermoco. Bob's leadership of Ausmeter and his experience in energy and water management is proving to be of great value to the Company since we acquired the business 12 months ago. We look forward to his continued contribution."
