About Intermoco Limited

Intermoco is an Australian public company listed on the Australian Stock Exchange (Code: INT) based in Melbourne. The company is a leader in the provision of remote monitoring and control technology solutions through its Utiligy brand. Utiligy provides a world class end-to-end internet-enabled energy metering and resource management solution to utilities, corporations, local councils and government departments to help them monitor, manage and minimise their consumption of electricity, gas and water. The Utiligy application has been successfully deployed in all major states in Australia and in Malaysia, Thailand, New Zealand and Hong Kong.

For more information please visit the Company's website at www.utiligy.com.au.
