## Intermoco Signs New \$1M Embedded Network

**MELBOURNE 22 July 2011.** Utilities management provider, Intermoco Limited (ASX: INT), today announced that the Company has entered into an agreement for a new Intermoco Connect Site in Sydney, New South Wales.

The five year agreement for an existing commercial development in Wetherill Park , known as Market Town, consists of thirty-two retail stores, three restaurants and a twenty lane bowling alley all of which cover 9,300 square metres of retail space plus additional common areas.

Intermoco will provide embedded network services to Market Town over an initial five year period and will generate approximately \$1M in revenue over that period.

Intermoco CEO Mr Ian Kiddle said” This is a great step forward for Intermoco, because it demonstrates the strength of our Intermoco Connect Model in both a retail environment but also in a brown field (already operating) site. In addition the site is in Sydney, potentially the largest market for Intermoco. We are currently working on finalizing another seven new contracts and I expect to have those finalized in the next four to eight weeks

Owner/Director Mr. Ross Trimboli of Market Town said. “We are pleased to be working with Intermoco on the provision of Intermoco Connect which will provide benefits to both ourselves but equally to my tenants”.
